ANNEX

Identi-fication number of the feed additive	Name of the holder of authorisation	Additive	Composition, chemical formula, description, analytical method	Species or category of animal	Maxi mum age	Minimum content	Maximum content	Other provisions	End of period of authorisa-tion
						CFU/kg of complete feedingstuff with a moisture content of 12%			
Category: zootechnical additives. Functional group: gut flora stabilisers									
4b1841	Lactosan GmbH & Co.KG	*Enterococcus lactis* DSM 7134	***Additive composition*** Preparation of *Enterococcus lactis* DSM 7134 containing a minimum of: - powder form: 1×10^{10} CFU/g of additive, or - granulated (micro-encapsulated) form: 1×10^{10} CFU/g of additive. Solid form ***Characterisation of the active substance*** Viable cells of *Enterococcus lactis* DSM 7134 ***Analytical method*** (1) Identification: DNA sequencing methods or Pulsed Field Gel Electrophoresis (PFGE) - CEN/TS 17697. Enumeration in the feed additive, premixtures and compound feed: spread plate method using bile esculin azide agar (EN 15788)	Chickens reared for laying Minor poultry species for fattening, reared for laying and reared for breeding	-	5×10^8	-	1. In the directions for use of the additive and premixture, the storage conditions and stability to heat treatment shall be indicated. 2. The additive may be used simultaneously with the following coccidiostats, in accordance with their respective conditions of authorisation as feed additives: diclazuril, halofuginone hydrobromide, robenidine hydrochloride, decoquinate, lasalocid A sodium, maduramicin ammonium, monensin sodium. 3. For users of the additive and premixtures, feed business operators shall establish operational procedures and organisational measures to address potential risks resulting from their use. Where those risks cannot be eliminated by such procedures and measures, the additive and premixtures shall be used with personal breathing and skin protective equipment.	*[10 years from the date of entry into force of this Regulation. To be completed by the Service responsible for the publica-tion]*
