

## Bekendtgørelse om afgrænsning af kystvandoplande

I medfør af § 5 e, stk. 1, i lov om husdyrbrug og anvendelse af gødning m.v., jf. lovbekendtgørelse nr. 256 af 21. marts 2017, fastsættes:

**§ 1.** Bekendtgørelsens bilag 1 fastlægger ved angivelse af koordinater grænserne for kystvandoplande. Et kystvandopland omfatter et eller flere deloplande, hvorfra al overfladeafstrømning løber gennem en række mindre og større vandløb og eventuelt søer til et bestemt punkt i et vandløb (normalt en sø eller et vandløbssammenløb), jf. § 2, nr. 14, i lov om vandplanlægning. Koordinaterne i bilag 1 illustreres visuelt i en digital kortudgave på MiljøGIS på Miljøstyrelsens hjemmeside, <http://miljoegis.mim.dk/>.

**§ 2.** Bekendtgørelsen træder i kraft den 1. juli 2018.
